REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: the main reason for the allowance of claim 1 is that the prior art fails to disclose a power steering system including first and second resolvers, a third resolver for detecting a motor electrical angle indicating the rotational angle of said electric motor, said electric power steering device being capable of controlling said electric motor based on the rotational position of said steering wheel which is calculated based on said first and second steering angles and a motor electric angle, wherein:, and at least one of the reduction gear ratio of a reduction gear mechanism and the number of pole pairs of said third resolver is set so that a calculated value which is obtained by multiplying said reduction gear ratio with said number of said pole pairs represents a non-integer having a numerical value of the decimal place.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kevin Hurley whose telephone number is 571-272-6646. The examiner can normally be reached on Monday-Friday 9:30-5:00.
